President's Message

On September 2nd, there was a moderate showing of members and 3 guests at the monthly meeting. Jeff Davis, of Twigg Cycles, gave a presentation of the Sponsorship to TCRC. And, all other guests were welcomed to the Club.

The meeting started off with a presentation of a \$500.00 check to be given to Norma Gossert. The President of TCRC and Jeff Davis of Twigg Cycles presented the check, with a modest ceremony, to Norma Gossert, to be given to the "Ride for Kids-Pediatric Brain Tumor Foundation.

Judy and I, as members, had the opportunity to enjoy the social activities of the month of August and part of September. The Lancaster, PA ride was very well organized and enjoyable. Great Job!!

In this President's message, I would like to bring out this thought. Horse Play should not be confused with camaraderie. In an industrialize world that we live in, it can maim or injury someone permanently. And, we are a great collection of members that will look out for one another.

Until the next monthly meeting, Keep the Chrome Side up, and the Rubber side down, Ride Safe.

George

Secretary's Report

The September meeting had 18 people in attendance. Jeff Davis from Twigg Cycles invited TCRC to attend any of their monthly meetings.

A presentation of \$500 was made to Norma Gossert for the Ride for Kids benefit in memory of Jerry Gossert. The treasurer's report shows a current balance of \$902.08.

Brian Lovins announced that Ian Rodgers had passed away and shared details of the funeral service. Dana Shafer announced the death of Marty Schultz, ABATE director. Both families will receive sympathy cards from the club. Cory reviewed some safety issues associated with group riding.

As this riding season is winding down, start thinking of rides for next year and get you suggestions to David Jones. The 50/50 raffle generated \$38 for the club and \$37 for Carol Keyser who donated the money to the Ride for Kids benefit.

If your keeping a roster of emails in your address book, one change.
